

March 3, 1975

CLERK: 32 ayes, 11 nays, 6 not voting on the motion to lay over.

PRESIDENT: The motion carries. Mr. Clerk, would you please read LB 81 on Final Reading. The chair recognizes Senator Simpson. For what purpose do you arise, sir?

SENATOR SIMPSON: Mr. President, I have asked that we would lay 81 over because there is a problem on the prestige plates and we are going to have to get an amendment in there and we haven't had time to do that yet.

PRESIDENT: You are asking for unanimous consent.

CLERK: I have got the amendment.

SENATOR SIMPSON: Have you got it? Well, we can just hold it at this time and then we can return it, when we get... or do you want it returned now?

CLERK: It would be proper to take it up now.

SENATOR SIMPSON: I would move to return the bill to Select File for specific amendment which has to do with the problem in the prestige plates. The amendment we put on did knock off the having numbers in the first part of it and, as long as they are not in conflict with county numbers, why they should be allowed because some people do now have them that way.

PRESIDENT: There is a motion to return 81...LB 81 to Select File for a specific amendment. Record your vote. Wait. Hold that. Senator Simpson.

SENATOR SIMPSON: Mr. President, I would now ask that we would hold the motion while I check the amendment. I have not seen it until this moment and I am not sure that I would agree with it, as the introducer, so I would ask that we hold it, temporarily. Just leave the bill where it is with the motion pending.

PRESIDENT: The chair will order that 81 be read out of order, then. We will proceed with LB 60 and take up 81 after 60.

CLERK: LB 60. Final Reading.

(Recorder turned off)

PRESIDENT: Are you ready on 81 or should we move ahead with 62?

SENATOR SIMPSON: Mr. President, the amendment that is on the desk was put up there by Senator Richard Lewis, on behalf of the Motor Vehicle Department and at the present time, I don't agree with the amendment in total, only the first portion of it and I so I would not...I would ask to withdraw my motion to return the bill for that...for the purpose of adopting that amendment and then we can go from there but I would not want it read on Final Reading because there is still a problem in the bill.

PRESIDENT: Is there any objection to the withdrawal of the motion to return to Select File. Seeing none, it is withdrawn. Senator Simpson makes...requests unanimous consent to lay over
